NOW YOU KNOW.

Wouldn't it be great to know when a prospect read your e-mail?

Wouldn't it be even
BETTER to speak
with them **WHILE** they're
reading your e-mail?

WE CAN MAKE
THIS HAPPEN FOR
YOU!!!

HERE'S HOW IT WORKS

Meet Your New Best Friend

tele-mail.com

Tele-Mail is an online tool that allows you to know who's read your email, when they read it and can instantaneously connect you with them while they're reading it. Sounds pretty cool right?
